

Polishing Customized CNC Brass Parts Electronic Components

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Weight: Customized
- Color: Customized
- Application: Electronic Components
- Delivery_time: 7-15 Days
- Tolerance: ± 0.01 mm
- Payment_term: T/T, PayPal, Western Union
- Processing_method: CNC Machining
- Material: Brass
- Highlight: **Customized CNC Brass Parts, Electronic CNC Brass Parts**

Product Description

Product Description:

CNC Brass Parts are computer-controlled components made of brass, providing precise, computer-assisted manufacturing and custom-made dimensions and weights. They are widely used in electronic components, with a tolerance of $\pm 0.01\text{mm}$. The payment terms are T/T, PayPal and Western Union.

CNC-manufactured Brass Parts are renowned for their high quality and durability, making them a top choice for many applications. The fine-tuned manufacturing process ensures precise specifications, guaranteeing that every product meets the highest standards of quality. With CNC Brass Parts, you can rest assured that you will get the best and most reliable components.

Features:

Product Name: CNC Brass Parts

Processing Method: CNC Machining

Application: Electronic Components

Material: Brass

Delivery Time: 7-15 Days

Payment Term: T/T, PayPal, Western Union

Features: CNC-machined Brass Parts, Computer-programmed Brass Parts, Computer-simulated Brass Parts

Technical Parameters:

Technical Parameter	Value
CNC-fabricated Brass Parts	Computer-simulated, Computer-assisted
Surface Treatment	Polishing
Payment Term	T/T, PayPal, Western Union
Application	Electronic Components
Port	Shenzhen
Weight	Customized
Color	Customized
Dimension	Customized
Package	Standard Export Package
Supply Ability	10000 Pieces/Month
Material	Brass

Applications:

Ywy CNC404 Computer-aided Brass Parts are custom-made and crafted with precision using computer-programmed and computer-operated technology that is accurate to $\pm 0.01\text{mm}$. Made in Guangdong Huizhou, these Brass Parts have a weight that can be tailored to meet your needs, ensuring that the parts are strong and durable. With a supply ability of up to 10,000 pieces per month, the parts are also packaged for standard export to ensure safe delivery. Payment terms include T/T, PayPal, and Western Union.

Customization:

CNC-machined Brass Parts Customization Services

Brand Name: Ywy

Model Number: cnc404

Place of Origin: Guangdong, Huizhou

Processing Method: CNC Machining

Package: Standard Export Package

Surface Treatment: Polishing

Dimension: Customized

Port: Shenzhen

We provide CNC-machined Brass Parts customization services, including Computer-aided Brass Parts. Our CNC-machined Brass Parts are of high precision, with perfect surface treatment and strict quality control. We specialize in providing customized services for CNC Brass Parts, with consistent quality and competitive prices.

Support and Services:

Technical Support and Service for CNC Brass Parts

We offer comprehensive technical support and service for CNC Brass Parts. Our team of experienced engineers and technicians can provide assistance with installation, troubleshooting, repairs, maintenance, and more. We are committed to providing excellent customer service and ensuring that your CNC Brass Parts are operating properly.

We also offer a variety of services, such as custom fabrication, prototyping, and manufacturing. Our team can help you design and produce the perfect CNC Brass Parts for your individual needs. We can also provide advice and guidance on the best materials and processes to use for your specific application.

If you have any questions or need assistance with your CNC Brass Parts, please contact us. We are always here to help!
