

Home Decoration Customized CNC Craftsman Wood Lathe Parts

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Lead Time: 7-15 Days
- Application: Furniture, Home Decoration, Etc.
- Surface Treatment: Painting, Polishing, Etc.
- MOQ: 1 Piece
- Color: Customized
- Package: Carton, Wooden Pallet, Etc.
- Tolerance: $\pm 0.1\text{mm}$
- Size: Customized
- Highlight: **ODM Craftsman Wood Lathe Parts, Customized Craftsman Wood Lathe Parts**

Product Description

Product Description:

CNC Wood Parts

CNC Wood Parts are precision machined components made of wood with custom colors, shapes and dimensions. Our CNC machining services use advanced computer numerical control technology to create wooden parts with high accuracy and tight tolerances. We provide CNC wood parts manufacturing services for a wide range of applications, from industrial and medical equipment to furniture and home decorations. Our experienced machinists will work with you to create a custom solution that meets your exact needs. Our CNC wood parts are designed to meet or exceed industry standards and are delivered within 7 to 15 days.

Our CNC wood parts are made from the highest quality materials and are designed to meet your specific requirements. We specialize in the production of custom wooden parts, including but not limited to: machine parts, furniture components, medical devices, architectural features, and more. Our experienced machinists have the expertise to produce parts with tight tolerances and complex geometries. Our CNC wood parts can be finished with custom colors and coatings to meet your aesthetic requirements.

Our CNC wood parts manufacturing services are reliable and cost-effective. We use the latest technology to produce parts with the highest precision, accuracy, and quality. Our professional team is committed to delivering superior quality parts in a timely manner. We value your trust and strive to exceed your expectations.

Features:

Product Name: Wooden Computer Cut Parts

Process: CNC

Color: Customized

Surface Treatment: Painting, Polishing, Etc.

Application: Furniture, Home Decoration, Etc.

Tolerance: $\pm 0.1\text{mm}$

Technical Parameters:

Attributes	Value
Computer Numerical Cut Parts	CNC Wood Parts
Wooden Machined Parts	CNC Cut Wood Pieces
CNC Wood Components	CNC Wood Parts
Tolerance	$\pm 0.1\text{mm}$
Process	CNC
Application	Furniture, Home Decoration, Etc.
Material	Wood
MOQ	1 Piece
Color	Customized
Surface Treatment	Painting, Polishing, Etc.
Lead Time	7-15 Days
OEM/ODM	Accepted
Package	Carton, Wooden Pallet, Etc.

Applications:

CNC Wood Parts By YWY

YWY's CNC Wood Parts are the perfect choice for furniture, home decoration, and more! Our CNC707 model is crafted with precision CNC carving technology, and is designed with maximum tolerance of $\pm 0.1\text{mm}$. Our computer numerical cut parts, CNC wood components, CNC cut wood pieces, and precision CNC carved wood are packaged in cartons or wooden pallets for maximum safety during shipment.

Our CNC wood parts are made with the highest quality materials and are designed with each customer's unique needs in mind. With OEM/ODM service available, our CNC wood parts are sure to meet your exact specifications. Take advantage of the superior craftsmanship and quality of YWY's CNC Wood Parts today!

Customization:

Customized CNC Wood Parts

Brand Name: ywy

Model Number: cnc707

Place of Origin: Guangdong Huizhou

Process: CNC

Package: Carton, Wooden Pallet, Etc.

Tolerance: $\pm 0.1\text{mm}$

Material: Wood

Size: Customized

We offer professional and customized CNC wood carvings using Wood CNC Machinery. With our strict quality control and accurate tolerance of $\pm 0.1\text{mm}$, we guarantee the highest quality for your custom-made wood parts.

Support and Services:

CNC Wood Parts Technical Support and Services

At CNC Wood Parts, we provide top-notch technical support and services to ensure that your product is built and operated correctly. Our experienced technical support staff is available to help you with any questions you may have about the installation, operation, and maintenance of our products.

Installation Support

Our technical support team can help you with installation of your CNC Wood Parts products. We can provide step-by-step instructions on how to install and set up your product, as well as tips and tricks to ensure that your product is installed correctly the first time.

Operation Support

Our technical support team can help you with any questions you may have about the operation of your CNC Wood Parts product. We can provide detailed instructions on how to use the product, as well as troubleshooting tips if you encounter any issues.

Maintenance Support

Our technical support team can help you with any questions you may have about the maintenance of your CNC Wood Parts product. We can provide detailed instructions on how to maintain the product, as well as tips and tricks to ensure that your product is maintained correctly over time.
