

1500mm X 1200mm Injection Molding Services Single Multi Cavity

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Mold Life: 500,000-1,000,000 Shots
- Surface Finish: Polishing, Texturing, Painting, Etc.
- Weight: Max. Mold Weight: 10,000kg
- Size: Max. Mold Size: 1500 X 1200mm
- Cavity: Single Or Multi-Cavity
- Material: ABS, PC, PP, PA, POM, Etc.
- Lead Time: 3-4 Weeks
- Mold Base: LKM, HASCO, DME, Etc.
- Highlight: **1500mm X 1200mm Injection Molding Services, Multi Cavity Injection Molding Services**

Product Description

Product Description:

Injection Molding Services

Our injection molding services offer superior quality products for a wide range of applications. We use advanced software, such as UG, Pro/E, and SolidWorks, to ensure accuracy and precision in our injection molding process. Our molds range in weight from a maximum of 10,000kg, and can support a mold life of 500,000 to 1,000,000 shots. We provide injection molding services, overmolding services, and insert molding services. Our highly experienced team ensures that your injection molding project is completed with the highest quality.

Features:

Product Name: Injection Molding Services

Service Type: Injection Molding Services

Process: Plastic Injection Molding, Molding Plastic Injection, Molding Plastic Injection Services, Overmolding, Insert Molding, Etc.

Tolerance: $\pm 0.05\text{mm}$

Equipment: CNC, EDM, Wire-Cutting, Etc.

Lead Time: 3-4 Weeks

Technical Parameters:

Parameter	Value
Software	UG, Pro/E, SolidWorks, Etc.
Equipment	CNC, EDM, Wire-Cutting, Etc.
Surface Finish	Polishing, Texturing, Painting, Etc.
Weight	Max. Mold Weight: 10,000kg
Mold Life	500,000-1,000,000 Shots
Material	ABS, PC, PP, PA, POM, Etc.
Mold Base	LKM, HASCO, DME, Etc.
Process	Injection Molding, Overmolding, Insert Molding, Etc.
Service Type	Plastic Injection Molding, Molding Injection Service, Injection Molding Service
Lead Time	3-4 Weeks

Applications:

Ywy's injection molding services are the perfect solution for a variety of applications and scenarios. Our brand name is Ywy and our model number is Ywy333. Our injection molding services are based in Guangdong, Huizhou. We offer a maximum mold weight of 10,000kg with a precision tolerance of $\pm 0.05\text{mm}$. Our advanced equipment includes CNC, EDM, wire-cutting, and more. Our services include injection molding, overmolding, insert molding, and more. We also have the latest software such as UG, Pro/E, SolidWorks, and more to ensure the best quality for the customer. Our injection molding process is ideal for molding plastic products with precision, accuracy, and durability. We specialize in high-end injection plastic molding and plastic molding injection services for a wide range of industries. With years of experience, we guarantee the highest level of quality and satisfaction for our customers.

Customization:

Injection Molding Services

Brand Name: **ywy**

Model Number: **ywy333**

Place of Origin: **Guangdong, Huizhou**

Size: **Max. Mold Size: 1500 X 1200mm**

Material: **ABS, PC, PP, PA, POM, Etc.**

Lead Time: **3-4 Weeks**

Service Type: **Injection Molding Services**

Tolerance: **$\pm 0.05\text{mm}$**

Our **Injection Molding Services** are provided for plastic injection molding, injection service molding and molding injection service. We use high-quality materials such as ABS, PC, PP, PA, POM, etc. We can provide precision injection molding services with a tolerance of $\pm 0.05\text{mm}$ and a maximum mold size of 1500 x 1200mm. Our lead time is 3-4 weeks.

Packing and Shipping:

Packaging and Shipping

At Injection Molding Services, we take pride in the packaging and shipping of all our products. Our products are packaged with the utmost care and attention to detail to ensure that they are safely and securely delivered. We use a variety of packaging materials, such as bubble wrap, foam, cardboard, and plastic, to ensure that our products are adequately protected during transit. We also offer a range of shipping options, including overnight, 2-day, and ground services, to ensure that our customers receive their orders in a timely manner.
