

Custom Brass CNC Parts Polished Finish Color Customized Payment Term T/T PayPal Western Union

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc404

Product Specification

- Port: Shenzhen
- Surface_treatment: Polishing
- Delivery_time: 7-15 Days
- Material: Brass
- Application: Electronic Components
- Color: Customized
- Tolerance: ± 0.01 mm
- Payment_term: T/T, PayPal, Western Union
- Highlight: **Polished Finish Custom Brass CNC Parts,
Color Custom Brass CNC Parts**

Product Description

Product Description:

Our CNC-fabricated Brass Parts are made from top-grade brass materials that are carefully selected to ensure their durability, strength, and resistance to wear and tear. We use computer-aided machining techniques to produce these parts with precision and accuracy, ensuring that each component meets the required specifications and tolerances.

One of the standout features of our CNC-fabricated Brass Parts is their customizable weight and color options. We understand that different industries have unique needs when it comes to these two factors, and that's why we offer customized solutions to meet those needs. Our team of experts will work with you to develop Brass Parts that are tailored to your specific requirements.

Another key feature of our CNC-fabricated Brass Parts is our surface treatment option. We use a polishing technique to enhance the appearance and performance of these components, giving them a smooth and shiny finish that's both attractive and functional. This surface treatment also protects the Brass Parts from corrosion and other forms of damage, ensuring their longevity and reliability.

At our company, we understand the importance of flexibility when it comes to payment options. That's why we accept a range of payment terms, including T/T, PayPal, and Western Union. This makes it easy for our customers to transact with us, regardless of their preferred payment method.

In summary, our Computer-aided CNC-fabricated Brass Parts are the perfect solution for businesses that require high-quality Brass Parts that are customizable, durable, and reliable. With our capacity to supply up to 10000 pieces every month, we are the ideal partner for businesses that require a steady and dependable source of these components. Contact us today to find out more about our CNC Brass Parts and how we can help you meet your business needs.

Applications:

These CNC-fabricated Brass Parts are ideal for use in Electronic Components, making them perfect for manufacturers and hobbyists alike. Whether you are building a circuit board or repairing a piece of electronic equipment, these parts are sure to meet your needs. With flexible payment options including T/T, PayPal, and Western Union, it has never been easier to get your hands on these high-quality parts. They are also conveniently shipped from the port of Shenzhen, ensuring fast and reliable delivery.

At ywy, we understand that each project is unique and requires parts that are tailored to its specific requirements. That's why we offer customized weight options for these CNC Brass Parts to ensure that they are a perfect fit for your project.

These Computer-aided Brass Parts come in a standard export package, ensuring that they arrive at your doorstep in excellent condition. So whether you are a manufacturer or a hobbyist, the CNC Brass Parts by ywy are the perfect solution for all your electronic component needs. Order now and experience the quality and convenience of these top-of-the-line parts.

Customization:

Our brand, ywy, offers product customization services for our CNC-machined brass parts (model number cnc404) that are computer-programmed and computer-controlled. Our products are made in guangdonghuizhou and have a supply_ability of 10000 pieces per month.

The dimensions and weight of our brass parts can be customized to meet your specific needs. We ship our products from the port of Shenzhen and offer a delivery_time of 7-15 days.

Support and Services:

Our CNC Brass Parts are designed to meet the highest standards of quality and precision. We offer technical support and services to ensure that our customers receive the best possible experience with our products.

Our team of experts is available to provide assistance with installation, troubleshooting, and maintenance of our CNC Brass Parts. We also offer customization services to meet the unique needs of our customers.

Additionally, we provide training and education on the proper use and care of our products. Our goal is to ensure that our customers have the knowledge and resources they need to maximize the performance and longevity of our CNC Brass Parts.

Packing and Shipping:

Product Packaging:

The CNC Brass Parts will be packaged in a sturdy cardboard box with adequate packaging material to prevent any damage during transportation.

Shipping:

The product will be shipped via a reputable courier service that offers tracking information to ensure timely delivery. Shipping costs will be calculated based on the destination and weight of the package. Customers will be provided with a tracking number once the order has been shipped.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is ywy.

Q: What is the model number of this product?

A: The model number of this product is cnc404.

Q: Where is this product made?

A: This product is made in guangdonghuizhou.

Q: What materials are these CNC Brass Parts made of?

A: These CNC Brass Parts are made of high-quality brass material.

Q: What is the warranty on these CNC Brass Parts?

A: Please refer to the warranty information provided by the seller or manufacturer.
