

## Customized Automotive Precision CNC Turning Milling Machining Parts with Tolerance $\pm 0.01\text{mm}$

Our Product Introduction

For more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

### Product Specification

- Tolerance:  $\pm 0.01\text{mm}$
- Drawing Format: PDF, IGS, STP, DWG, Etc.
- Shipping: Express, Air, Sea
- Lead Time: 7-15 Days
- Application: Automotive, Aerospace, Etc.
- MOQ: 1 Piece
- Package: Carton, Wooden Case, Etc.
- Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
- Highlight: **Automotive Precision CNC Turning Milling Parts, Customized CNC Turning Milling Parts, Tolerance 0.01mm CNC Turning Milling Parts**

## Product Description

### Product Description:

Our CNC Turning Milling Parts are made using the latest technology and processing methods. We specialize in CNC turning and milling, which allows us to offer high-quality parts with precision tolerances of  $\pm 0.01\text{mm}$ . This ensures that your parts will fit and function perfectly every time.

We understand that time is of the essence, which is why we offer a lead time of just 7-15 days for our CNC Turning Milling Parts. This allows you to get the parts you need quickly and efficiently, without having to wait weeks or months for your order to be fulfilled.

Our CNC Turning Milling Parts are available in a wide range of sizes and can be customized to meet your exact specifications. Whether you need a small part or a large, complex assembly, we have the capabilities to meet your needs.

When it comes to CNC Turning Milling Parts, precision and quality are key. That's why we use only the highest-quality materials and state-of-the-art equipment to produce our parts. We take pride in our work and are committed to delivering the best possible products to our customers.

So if you're in need of CNC Turning Milling Parts, look no further than our selection. With our high-quality parts, precision tolerances, and fast lead times, you can be sure that you're getting the best possible product for your money.

### Features:

Product Name: CNC Turning Milling Parts

Application: Automotive, Aerospace, Etc.

OEM/ODM: Accept

Advantage:

High Precision

Fast Delivery

Etc.

Product Size: Customized

Lead Time: 7-15 Days

This product includes CNC Turning Manufacturing Parts, CNC Milling Machining Parts, and CNC Milling Process Parts.

### Technical Parameters:

MOQ	1 Piece
Shipping	Express, Air, Sea
Product Size	Customized
Advantage	High Precision, Fast Delivery, Etc.
Material	Stainless Steel, Aluminum, Brass, Etc.
Lead Time	7-15 Days
OEM/ODM	Accept
Drawing Format	PDF, IGS, STP, DWG, Etc.
Application	Automotive, Aerospace, Etc.
Tolerance	$\pm 0.01\text{mm}$

### Applications:

Our CNC milling process parts are perfect for a variety of application occasions and scenarios. They are commonly used in the automotive industry for precision parts manufacturing, as well as in the aviation industry for aircraft components. Our parts are also ideal for use in the medical industry, where precision is essential for medical devices and equipment. Additionally, our CNC milling manufacturing parts are perfect for the electronics industry, where precision and accuracy are key in the production of electronic components.

At ywy, our CNC turning milling parts are manufactured in Guangdong Huizhou to the highest standards. We offer a minimum order quantity of just 1 piece, making our parts perfect for small-scale production. Our prices range from 0.68 to 6.68, depending on the specific part and material used.

Our CNC turning fabricated parts are available with a variety of surface treatments, including polishing, anodizing, zinc plating, and more. We also offer bubble paper box packaging for all of our parts, ensuring that they arrive at your door in perfect condition.

With a lead time of just 7-15 days and long-term supply ability, you can trust ywy to deliver high-quality CNC turning milling parts on time and on budget. Contact us today to learn more about our products and services!

### Customization:

## Support and Services:

- Expert consultation on product specifications and customization options
- Assistance with installation and setup
- Troubleshooting and maintenance support
- Repairs and replacement parts
- Training and education on product operation and best practices

Our team of experienced professionals is committed to providing top-quality service to ensure your CNC Turning Milling Parts product operates at peak performance. Contact us for more information.

## Packing and Shipping:

Product Packaging:

All CNC turning milling parts will be packed in a sturdy cardboard box.

Each part will be individually wrapped in bubble wrap to ensure safe transportation.

The box will be sealed with tape to prevent any damage or loss during shipping.

Shipping:

We offer worldwide shipping through reliable courier services.

Shipping costs will be calculated based on the weight and destination of the package.

Delivery time may vary depending on the shipping location and courier service used.

Customers will receive a tracking number to monitor the status of their shipment.

## FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is ywy.

Q: What is the model number of this product?

A: The model number of this product is cnc202.

Q: Where is this product manufactured?

A: This product is manufactured in guangdonghuizhou.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 1.

Q: What is the price range of this product?

A: The price range of this product is between 0.68-6.68.

Q: How is this product packaged?

A: This product is packaged in bubble paper box packaging.

Q: What is the delivery time for this product?

A: The delivery time for this product is 10-15 days.

Q: What is the supply ability for this product?

A: The supply ability for this product is long-term.
