

Customized Precision CNC Machined Parts for Production Control 100% Inspection Before Shipment

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- MOQ: 10Piece
- Lead Time: 7-15 Days
- Tolerance: $\pm 0.01\text{mm}$
- Packaging: Standard Export Carton Or Customized
- Material: Aluminum, Steel, Brass, Etc.
- OEM/ODM: Acceptable
- Quality Control: 100% Inspection Before Shipment
- Application: Automotive, Aerospace, Medical, Etc.
- Highlight: **100% Inspection CNC Machined Parts, Production Control CNC Machined Parts, Customized Precision CNC Machined Parts**

Product Description

Product Description:

The CNC machined parts are made from a variety of materials such as aluminum, steel, brass, and many others. Each material has unique properties that make it suitable for different applications. For example, aluminum is lightweight and corrosion-resistant, making it a commonly used material in the aerospace industry. Steel, on the other hand, is known for its strength and durability, making it ideal for use in the automotive industry.

Quality control is a crucial aspect of the production of CNC machined parts. At our company, we ensure that every part undergoes 100% inspection before shipment. This ensures that the parts meet the required specifications and are free from defects.

Our CNC machined parts are customized to meet the specific requirements of our customers. We work closely with our clients to understand their needs and provide them with parts that meet their exact specifications. The size of the parts can vary, depending on the application and the customer's requirements.

We pride ourselves on our quick turnaround time. Our lead time for CNC machined parts is between 7-15 days, depending on the complexity of the parts. We understand that time is of the essence, and we work tirelessly to ensure that our customers receive their parts on time.

Features:

Product Name: CNC Machined Parts

Processing Method: CNC Machining, Turning, Milling, Etc.

Tolerance: $\pm 0.01\text{mm}$

Quality Control: 100% Inspection Before Shipment

Delivery Method: DHL, FedEx, UPS, Etc.

Surface Treatment: Anodizing, Plating, Painting, Etc.

Our CNC-manufactured components are produced with precision using numerically-controlled machining parts. We ensure a tolerance of $\pm 0.01\text{mm}$ and inspect each product before shipment. We offer multiple delivery methods including DHL, FedEx, and UPS. Additionally, we offer a variety of surface treatments such as anodizing, plating, and painting.

Technical Parameters:

MOQ	10 Piece
Processing Method	CNC Machining, Turning, Milling, Etc.
Packaging	Standard Export Carton Or Customized
Application	Automotive, Aerospace, Medical, Etc.
Delivery Method	DHL, FedEx, UPS, Etc.
Tolerance	$\pm 0.01\text{mm}$
OEM/ODM	Acceptable
Surface Treatment	Anodizing, Plating, Painting, Etc.
Lead Time	7-15 Days
Drawing Format	PDF, DWG, IGS, STEP, Etc.

CNC-manufactured components, Computerized Numerical Cutting parts, Computerized machining parts.

Applications:

Our yuanwenyu CNC machined parts are precision machined parts that are ideal for a variety of applications in automotive, aerospace, medical, and other industries. These parts are made using computer-controlled machining processes, which ensures that each part is produced to exacting specifications and meets the highest quality standards.

Our CNC machined parts come in a variety of sizes and can be customized to meet the specific needs of your application. Whether you need small, intricate parts or larger components, we can produce parts that meet your exact specifications. Our parts are made using a variety of processing methods, including CNC machining, turning, milling, and more.

Our CNC machined parts are available in both our 1X893 and OEM models. These parts are manufactured in Guangdong, China and are certified to meet the highest quality standards. We require a minimum order quantity of 50 pieces and offer competitive pricing that ranges from \$2.35 to \$12.68 per piece.

Our CNC machined parts are shipped with care to ensure that they arrive in excellent condition. Each part is packaged using EPE foam, anti-rust paper, stretch film, and plastic bags to prevent damage during transit. We offer both standard export cartons and customized packaging options to meet your specific needs.

We are committed to providing our customers with the highest quality CNC machined parts. Before shipment, each part undergoes a 100% inspection to ensure that it meets our rigorous quality control standards. Our supply ability is 1000000 Piece/Pieces per Month, and we offer fast delivery times to meet your production schedules.

Whether you need numerically-controlled machining parts for your automotive, aerospace, medical, or other applications, we have the expertise and experience to meet your needs. Contact us today to learn more about our CNC machined parts and how we can help you with your precision machining needs.

Customization:

Our yuanwenyu brand offers customizable CNC machined parts, including numerical-controlled machining parts, computerized numerical cutting parts, and computer-aided machining parts. Our model numbers include 1X893 and OEM, with a minimum order quantity of 50 pieces. Our products are made from high-quality materials such as aluminum, steel, and brass, with a tolerance of ± 0.01 mm and customized sizes. They are certified and made in Guangdong, China. Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag, and carton. We offer competitive pricing ranging from \$2.35 to \$12.68 per piece, with a lead time of 7-15 days. We accept various payment terms and have a supply ability of 1000000 Piece/Pieces per Month. Our processing methods include CNC machining, turning, milling, etc. Contact us today to discuss your product customization needs!

Support and Services:

We offer a range of services to meet the needs of our customers, including:

Custom design and engineering

Prototype development

Low-volume and high-volume production

Quality control and testing

Fast turnaround times

Competitive pricing

Our goal is to provide our customers with the highest quality CNC machined parts and exceptional customer service. If you have any questions or concerns about our product or services, please do not hesitate to contact us.

Packing and Shipping:

Product Packaging:

All CNC machined parts are carefully wrapped in protective material to prevent any scratches or damage during transportation.

The parts are then placed in a sturdy cardboard box and sealed with strong packing tape.

A label with the customer's address, contact information, and order details is affixed to the package for easy identification.

Shipping:

All orders are shipped via reliable carriers such as UPS, FedEx, or DHL.

The customer is provided with a tracking number so they can keep track of their package's progress.

Shipping times vary depending on the customer's location and shipping method chosen.

Additional fees may apply for expedited shipping.

FAQ:

Q: What is the Brand Name of this CNC Machined Parts product?

A: The Brand Name of this product is yuanwenyu.

Q: What is the Model Number of this CNC Machined Parts product?

A: The Model Number of this product is 1X893, OEM.

Q: Where is this CNC Machined Parts product made?

A: This product is made in Guangdong, China.

Q: Does this CNC Machined Parts product come with any certifications?

A: Yes, this product comes with a certification.

Q: What is the minimum order quantity for this CNC Machined Parts product?

A: The minimum order quantity for this product is 50 pieces.

Q: What is the price range for this CNC Machined Parts product?

A: The price range for this product is \$2.35 - \$12.68/piece.

Q: How is this CNC Machined Parts product packaged for shipping?

A: This product is packaged with EPE foam, Anti-Rust Paper, Stretch Film, and Plastic bag +Carton.

Q: What is the delivery time for this CNC Machined Parts product?

A: The delivery time for this product is 1.

Q: What are the payment terms for this CNC Machined Parts product?

A: The payment terms for this product are 1.

Q: What is the supply ability for this CNC Machined Parts product?

A: The supply ability for this product is 1000000 Piece/Pieces per Month.
