

Precision Aerospace CNC Machined Components with $\pm 0.01\text{mm}$ Tolerance and Stringent Inspection

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Tolerance: $\pm 0.01\text{mm}$
- OEM/ODM: Acceptable
- Material: Aluminum, Steel, Brass, Etc.
- Packaging: Standard Export Carton Or Customized
- Application: Automotive, Aerospace, Medical, Etc.
- Lead Time: 7-15 Days
- Quality Control: 100% Inspection Before Shipment
- Size: Customized
- Highlight: **$\pm 0.01\text{mm}$ Tolerance CNC Machined Components**
,
Stringent Inspection CNC Machined Components
, **Aerospace CNC Machined Components**

Product Description

Product Description:

Our CNC machined parts are customizable to meet your specific needs, whether you require OEM or ODM services. We work closely with our clients to ensure that we deliver high-quality parts that meet their exact specifications. We offer a variety of surface treatments, including anodizing, plating, and painting, to ensure that your parts meet your aesthetic and functional requirements. We use only the highest-quality materials to produce our CNC machined parts, ensuring durability and longevity for your products.

Our quality control process is rigorous and ensures that every part we produce meets our high standards. We conduct 100% inspection before shipment to ensure that our clients receive only the best parts.

Our delivery methods include DHL, FedEx, UPS, and more, ensuring that your CNC machined parts are delivered to you as quickly and efficiently as possible.

Our CNC machined parts are ideal for a wide range of applications, including but not limited to automotive, aerospace, medical, and more. Whatever your needs may be, we have the expertise and technology to produce the precision machined parts you require.

Features:

Product Name: CNC Machined Parts

MOQ: 10 Pieces

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Lead Time: 7-15 Days

Surface Treatment: Anodizing, Plating, Painting, Etc.

Delivery Method: DHL, FedEx, UPS, Etc.

Our CNC Machined Parts are computer-controlled machining parts that are perfect for your industrial needs. We offer a MOQ of 10 pieces and accept various drawing formats such as PDF, DWG, IGS, STEP, Etc. Our lead time is 7-15 days and we offer surface treatment options such as anodizing, plating, painting, Etc. We deliver through DHL, FedEx, UPS, Etc. for your convenience.

Technical Parameters:

Technical Parameters	Details
Product Name	Computerized machining parts
Application	Automotive, Aerospace, Medical, Etc.
Packaging	Standard Export Carton Or Customized
Tolerance	±0.01mm
OEM/ODM	Acceptable
MOQ	10 Piece
Delivery Method	DHL, FedEx, UPS, Etc.
Lead Time	7-15 Days
Material	Aluminum, Steel, Brass, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Description	CNC-manufactured components, Computer-aided manufacturing parts

Applications:

Our CNC-manufactured components are designed to meet the specific needs and requirements of our customers. Whether you need numerically-controlled machining parts for automotive, aerospace, or industrial applications, we have the expertise and experience to deliver products that meet your exact specifications.

Our products are suitable for a wide range of product application occasions and scenarios. For example, our CNC machined parts can be used in the manufacturing of medical equipment, electronic devices, and telecommunications equipment. They are also used in the automotive industry, where precision and durability are essential. Our products are also commonly used in the aerospace industry, where high-quality materials and precise manufacturing are critical.

We understand that our customers have unique needs and requirements. That's why we offer a range of customization options. Our products can be made to your exact specifications, and we can work with you to develop a customized design that meets your specific needs.

At Yuanwenyu, we are committed to delivering high-quality products and exceptional customer service. To ensure the quality of our products, we perform 100% inspection before shipment. We also offer a range of surface treatments, including anodizing, plating, and painting.

Our products are available at competitive prices, with a minimum order quantity of 50 pieces. The price ranges from \$2.35 - \$12.68 per piece. We offer a range of packaging options, including EPE foam, anti-rust paper, stretch film, plastic bags, and cartons. We can also provide customized packaging solutions to meet your specific needs.

We offer fast delivery times, with a delivery time of 1 day. We accept a range of payment terms to make it easy for our customers to do business with us. We also have the capacity to produce up to 1000000 pieces per month to meet the demands of our customers.

Our products are compatible with a range of drawing formats, including PDF, DWG, IGS, STEP, and more. This makes it easy for our customers to provide us with the necessary information to manufacture their products.

If you're looking for high-quality CNC-manufactured components for your product application occasions and scenarios, look no further than Yuanwenyu. Contact us today to learn more about our products and services.

Product Attributes:

Brand Name: Yuanwenyu

Model Number: 1X893, OEM

Place of Origin: Guangdong, China

Certification: 1

Minimum Order Quantity: 50 pieces

Price: \$2.35 - \$12.68/piece

Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton

Delivery Time: 1 day

Payment Terms: 1

Supply Ability: 1000000 Piece/Pieces per Month

Material: Aluminum, Steel, Brass, Etc.

Quality Control: 100% Inspection Before Shipment

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Surface Treatment: Anodizing, Plating, Painting, Etc.

Packaging: Standard Export Carton Or Customized

Customization:

Our product, the CNC machined parts, is manufactured by yuanwenyu, a reputable brand in the industry. The model number 1X893 is available for OEM customization. The product is made in Guangdong, China and is certified. The minimum order quantity for this product is 50 pieces and the price ranges from \$2.35 to \$12.68 per piece.

The product is carefully packaged with EPE foam, anti-rust paper, stretch film, plastic bag, and carton. The delivery time is 1 day and we accept various payment terms. Our supply ability is 1000000 Piece/Pieces per Month and the lead time for the product is 7-15 days.

The CNC machined parts are processed using computer-aided machining, numerically-controlled machining, turning, milling, and other methods. The product is packaged in a standard export carton or can be customized upon request. The surface treatment options include anodizing, plating, painting, and more.

Our CNC machined parts have various applications in the automotive, aerospace, medical, and other industries.

Support and Services:

Packing and Shipping:

Product Packaging:

All CNC machined parts are carefully inspected and individually packaged in a high-quality, durable plastic bag.

Each bag is labeled with the part number and quantity to ensure easy identification and organization.

The bags are then placed in a sturdy cardboard box with ample padding to prevent damage during shipping.

Shipping:

All orders are processed and shipped within 1-2 business days.

We offer a variety of shipping options to fit your needs, including standard, expedited, and overnight shipping.

All shipments are insured and tracked for your peace of mind.

Shipping costs are calculated based on the weight and destination of the order, and will be displayed at checkout.

FAQ:

Q1: What is the Brand Name of this CNC Machined Parts product?

A1: The Brand Name of this product is yuanwenyu.

Q2: What is the Minimum Order Quantity for this product?

A2: The Minimum Order Quantity for this product is 50 pieces.

Q3: What is the Price range for this product?

A3: The Price range for this product is between \$2.35 to \$12.68 per piece.

Q4: What are the Packaging Details for this product?

A4: The Packaging Details for this product are EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag + Carton.

Q5: What is the Delivery Time for this product?

A5: The Delivery Time for this product is 1-30 days, depending on the order quantity and product specifications.
